

Indigestion Cured at 74

Mr. L. F. Miller, of Utica, N. Y., who is seventy-four years of age, was cured of indigestion and pain in the stomach by Duffy's Pure Malt Whiskey, after years of suffering and all other medicines had failed.

MR. MILLER writes: "I write with joy and satisfaction. Seventy-four stormy winters have passed over my head on the 11th of Feb. last. My occupation is R. R. Blacksmith. Two years ago I was taken with a pain in my stomach, my food did not digest and I was in constant pain at my work. I went to a doctor, got some medicine, but of no avail. I got discouraged going home to my dinner. One day I met a man. I told him how I felt, that if I did not get a speedy relief I would have to stop work. He says, 'Why don't you try Duffy's Pure Malt Whiskey?' I went that night, got a bottle. It cost \$1.00. I took it according to directions. I had about 1/2 taken when I began to feel better. I got the second bottle and on till I had taken 4 bottles and felt like a new man. There is a neighbor woman I was talking with Saturday night. She has trouble with her stomach. I told her to get this medicine. It cured her of all her troubles."—L. F. Miller, 62 Broadway, March 24, '06.

Duffy's Pure Malt Whiskey

If you wish to keep strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions, and take no other medicine. It is dangerous to fill your system with drugs; they poison the body and depress the heart, while Duffy's Pure Malt Whiskey tones and strengthens the heart action and purifies the entire system. It is the only whiskey recognized as a medicine, and contains no fusel oil. This is a guarantee. Duffy's Pure Malt Whiskey has stood severe tests for fifty years, and has always been found absolutely pure and to contain great medicinal properties.

CAUTION.—When you ask your druggist or grocer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the one absolutely pure medicinal whiskey and is sold only in sealed bottles—never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price, \$1.00. Medical booklet and doctor's advice free. Duffy Malt Whiskey Co., Rochester, N. Y.

We heard a young man remark last week that, "The world owes me a living." It is hoped for that young man's good that he'll get the notion out of his head. It's a mistake, a grave mistake. He never entertained a more foolish idea nor one which will bring him a smaller measure of respect. The world owes the young man nothing; but instead he owes the world and society an active, noble manhood, a steady, honest energy which will enable him to associate with decent men and women in a true manliness of character that will make his friendship valuable and his presence and companionship desired. The truly intelligent activity, and the young man should contribute to society's happiness and welfare the grace which comes through study, toil and honest thought.—Ex.

It is cheering to learn that not an American has died of disease within the Panama canal zone within three months. The establishment of a government service by Uncle Sam, with the politics incident to that sort of innovation, will make the most minuscule locality on the globe habitable for Americans. Besides, no American on the isthmus was going to up and die with President Roosevelt billed for a visit to Panama.—Kansas City Star.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol relieves indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol for dyspepsia does not only relieve indigestion and dyspepsia, but this famous remedy helps all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

Mr. S. S. Ball, of Ravenswood, W. Va., says: "I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it in milk for baby."

An Excellent Creed.

We believe—
That right living should be the fourth "R" in education.
That home-making should be regarded as a profession.
That health is more the business of the individual than of the physician.
That most illness results from carelessness, ignorance, or intemperance of some kind.

That as many lives are cut short by unhealthful food and diet as through strong drink.

That the upbringing of children demands as much study as the raising of cattle.

That on the home foundation is built all that is good in state or individual.

That the spending of money is as important as the earning of money.

That economy does not mean spending a small amount, but in getting the larger returns for the money expended.

That the home-maker should be as alert to make progress in her life-work as the business or professional man.

That the most profitable, the most interesting, study for women is the home, for in it center all the issues of life.

That the study of home problem may be made of no less cultural value than the study of history or literature, and of much more immediate value.—American School of Home Economics.

We recently attended church and listened to a good sermon that made everyone feel good by being there. The singing was very inspiring and we stood up and helped the brethren and sisters sing the good old hymn, "Shall We Know Each Other Over There?" while the hymn was being sung we glanced around and saw about a dozen members of the church who had not spoken to each other for the last five years. As we stood there the thought occurred to us how were they going to know each other over there when they didn't even know each other here?—Ex.

The old cold goes; a new one quickly comes. It's the story of a weak throat, weak lungs, a tendency to consumption. Ayer's Cherry Pectoral breaks up the taking-cold habit. It strengthens, soothes, heals. Ask your doctor about it.
